

Laphroaig 10 year old Sherry Oak Finish

48%

The nose is earthy and spicy with mature oak, aged peat, melted caramel, potpourri, sherry, candle wax, musty old library, and wool-filled closet. On the palate it's rich and concentrated, creamy and thick, with chocolate cake and warm chocolate syrup, burnt coffee beans, cooked dark fruits, and medicinal notes, with a great touch of peated sweetness at the end. The peat and sherry oak create a remarkably subtle, yet delightfully complex effect.
