

Jameson Rarest Vintage Reserve

2007 Release, 46%

Jameson's newest premium release. The combination of aging some of the pot still whiskey in port casks, including some older whiskeys (over 20 years old), and bottling at 46% ABV (and not chill-filtered) has helped make this a rich, deep, and complex spirit. This is a silky smooth, lush, multi-faceted whiskey with notes of honeydew melon, nectarine, banana bread, creamy vanilla, chocolate fudge, toffee, warming cinnamon, and nutmeg. The port influence marries nicely with robust oak notes, and the grain whiskey component helps to keep it very drinkable. A more intense affair when compared to the "great anytime" 18 year old expression. A classic after-dinner Irish whiskey.
