Pleasantly aromatic on the nose, with vanilla maltiness, cinnamon stick, and mixed berries. Tropical notes—lime, grapefruit, and pineapple—start things off on a smooth palate, seamlessly integrating with chocolate, spice, and hints of smoke. Water brings out spiced crème brûlée and baked apples. The finish offers length and balanced sweetness.

While it does well without water, a splash certainly enhances things.

Overall, a very well-textured, flavorful expression. *Editor's Choice*
