Red Snake [Cask ref:
Redneck 111]**

60.2%

This elegant single malt evokes scents of vanilla frosting, white flowers, tangerine oils, pink grapefruit, fennel, coriander seed, and pistachio cream. Its delicious golden flavor spectrum brings out honey, lemon lozenge, baked orange, vanilla, shortbread, oak, and fluttering spices. By all means add water, but a non-chill filtered barrel pick that delivers such unbelievable drinking pleasure at full strength is pretty special in my book.
