

**Old Forester Birthday  
Bourbon**

**1994 vintage, 47%**

A crisp, robust, very dynamic bourbon. Amber-orange marmalade color. Spicy, with notes of cinnamon, spearmint, and Earl Grey tea. The spice is balanced nicely by thick toffee, rum agricole, caramel apple, and bright citrus, with a polished leather finish. There have been some great Birthday Bourbons, but I think this is the best one to date. A whiskey deserving classic status.
