

The Dalmore

1981 Vintage Amoroso Finish, 42%

A seductive Dalmore. Very fruity too, with Seville orange, peaches in syrup, clementine, pineapple, and bramble. Sugared almond, powdered vanilla, ginger, and lush sherry on the finish add depth and dimension. Consistent on the nose and palate, and with great balance. I'm glad they stopped the amoroso finishing when they did. I feel that any more sherry influence here would have been counterproductive. Very lovely!
